On May 26, 1959, NY T-2 advised that

NY 1056129

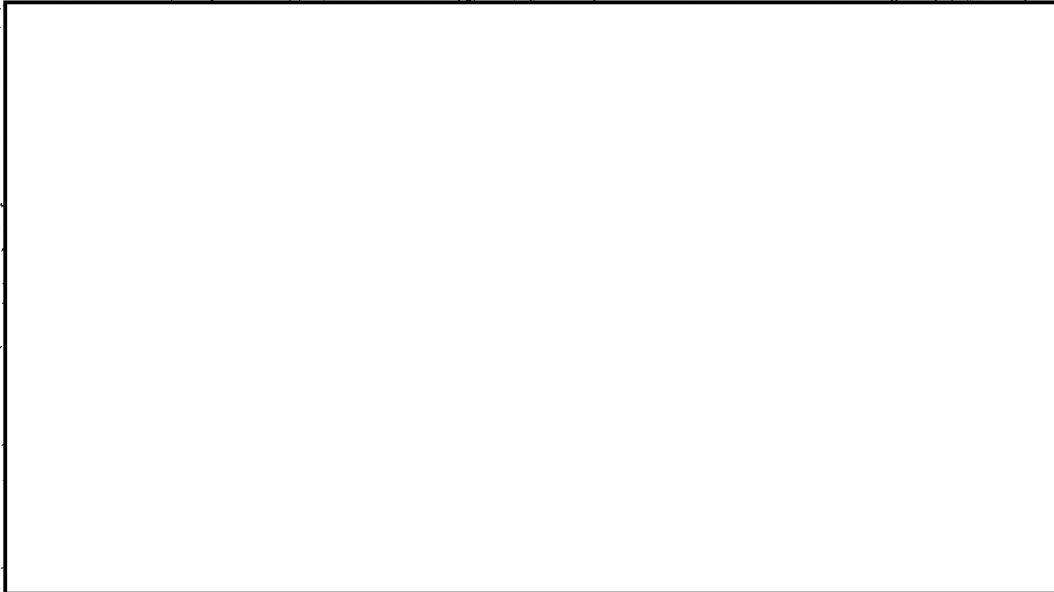

on May 25, 1959, JAMES MADOLE was in contact with GEORGE LINCOLN ROCKWELL and ROCKWELL had asked MADOLE to come to Washington, D.C. for ROCKWELL's trial on June 8, 1959. According to NY T-2, he had gathered from ROCKWELL that the FBI had been bothering MADOLE and ROCKWELL had advised MADOLE to be honest with the FBI, and they would be reasonable. NY T-2 stated that ROCKWELL indicated that he would like to get MADOLE to Washington, D.C. for good, to perform the role taken in Nazi Germany by RUDOLPH HESS. According to NY T-2, ROCKWELL stated that MADOLE put out the best written material of all of the right wing.

NY T-2 has advised that GEORGE LINCOLN ROCKWELL is an anti-Semite, who, in February, 1959, organized the World Union of Free Enterprise National Socialists. According to NY T-2, that organization is a Nazi type group which calls for the execution of Jews guilty of Communist or Zionist treason, and the repatriation of Negroes to Africa.

The source advised that MADOLE attempted to take part in the recent demonstrations in protest of the NYC Board of Education's decision to transport students (namely Negro) from the Bedford Stuyvesant section of Brooklyn, to schools in Glendale, Queens. He handed out literature in the Glendale area, and attempted to get subscribers to the "National Renaissance Party Bulletin", but met with little success. He also hired a hall in Glendale to hold a protest meeting. However, he cancelled this meeting because the individuals associated with the Taxpayers Association in Glendale refused to have anything to do with MADOLE because of his bigoted reputations.

ADMINISTRATIVE CONT'D

The character of this case was formerly carried as "Racial Matters", since the NRP was being investigated as an organization which fell under the category "Klan-Type Organizations, Hate Organizations and Associated Individuals", which are defined in Volume 4, Section 122 of the Manual of Instructions.

The above mentioned section of the Manual of Instructions sets forth certain standards for investigations of Klan-Type Organizations, Hate Organizations and Associated Individuals.

These standards are that the organization or associated individuals:

1. Have been designated by the Attorney General of the United States pursuant to Executive Order 10450.
2. Have not been designated by the Attorney General of the United States pursuant to Executive Order 10450, but there is an actual or alleged affiliation or subsidiary relation with a designated organization.
3. Have adopted a policy or have allegedly adopted a policy of advocating, condoning or inciting the use of force or violence to deny others their rights under the Constitution.
4. Have allegedly committed acts of violence.
5. Have actually or allegedly committed violations of laws within the Bureau's jurisdiction.

ADMINISTRATIVE CONT'D

As pointed out in the Administrative Section of referenced report of SA [redacted] dated 3/5/59, at NY, the NRP did not then meet the standards for investigation. Since that date no additional information has been developed which shows any change in the make-up of the NRP which would bring it under the standards set forth in Volume 4, Section 122 of the Manual of Instructions.

On 8/27/59, [redacted] who has furnished reliable information in the past, furnished information that [redacted]

(S) On 9/22/59, [redacted] who has furnished reliable information in the past, advised that JAMES H. MADOLE is unknown to him, but stated that there is a male named "ITM" in his middle 30's, balding, who speaks with a lisp, [redacted] and who is considered a "nut".

A review of the NYO file indicates that the above mentioned individual is most likely identical with JAMES H. MADOLE, head of the NRP.

It is noted that JAMES H. MADOLE voluntarily appeared at the NYO on 3/19/59, and was interviewed by SAS [redacted] and THOMAS G. SPENCER.

At this interview, MADOLE stated that he was not in the employ of any foreign government but stated that, on numerous occasions, he has published material in his publication, "National Renaissance Bulletin", in which a foreign government had an interest.

- C -  
COVER PAGE

~~SECRET~~

~~SECRET~~

NY 105-6112

ADMINISTRATIVE CONT'D

MADOLE stated he has furnished particular foreign governments copies of material which was pertinent to that particular government. However, MADOLE made no mention of any specific foreign governments with whom he might have had contact.

MADOLE further advised that he had never received any acknowledgment or remuneration from a foreign government for material which he has furnished to that foreign government.

During the above interview MADOLE declined to make known the number of members in the NRP, which organization he heads.

It is further noted that on 5/28/59, [redacted] [redacted] Bureau of Special Services, NYCPD, furnished a list of names and addresses of individuals who had contributed sums of money to the NRP. This information was furnished by the NYO to the Bureau and to interested field offices.

From all investigations conducted in this matter, it would appear that the NRP is mainly a paper organization whose membership consists mainly of individuals contained on mailing lists for the "National Renaissance Bulletin". Investigation has disclosed that MADOLE's primary activities consist in publishing the "National Renaissance Bulletin", which mainly concerns itself with anti-Semitic articles. It is also noted that MADOLE apparently has frequent contact with the Iraq Consulate in NY, for the purpose of obtaining pro-Arab literature which he distributes under the name of the NRP.

All investigation which has been conducted by the NYO concerning the NRP has failed to reflect that any large number of individuals ever actually attended meetings which were conducted by JAMES H. MADOLE.

On September 22, 1959, NY T-1 advised that JAMES H. MADOLE continues as the leader of the National Renaissance Party (NRP), maintaining headquarters for the organization at his residence, 10 West 80th Street, New York City.

NY T-1 further advised that MADOLE continues to publish the "National Renaissance Bulletin", self-described in its masthead as the official organ of the NRP.

A documentation of the NRP appears in the Appendix Section of this report.

NY T-1 also advised on September 22, 1959, that during September, 1959, MADOLE had attempted to participate in a demonstration of residents of Glendale, Long Island, New York, who were protesting the transfer of Negro students from Glendale in the Bedford-Stuyvesant area, Brooklyn, to schools in the Glendale area.

The informant stated that MADOLE had attempted to hire a hall in order to address the residents of Glendale and to recruit new subscribers to his publication, "National Renaissance Bulletin". However, NY T-1 advised MADOLE was forced to cancel his attempt at hiring a hall when the residents of Glendale learned of MADOLE's reputation as a racial bigot and refused to have anything to do with him.

NY T-1 further stated that he had received information that MADOLE was attempting to hire a hall in New York City, for the winter season, in order to deliver lectures, but stated that MADOLE, to date, has been unsuccessful in leasing a hall.

NY T-1 was unable to furnish any additional information concerning MADOLE or the NRP.

NY 100-6112

On July 23, 1959, NY T-2 made available the April 6, 1959 issue of "National Renaissance Collection", which contained an article by CARROLL entitled "FBI Launches New Reign of Terror in the American South".

This article refers to an issue of "The Thunderbolt", official publication of the National States Rights Party (NSRP), which speaks of "the reign of terror inspired on loyal Americans in the South by J. EDGAR HOOVER's secret police".

The article went on to criticize the Federal Bureau of Investigation's investigation in Poplarville, Mississippi, in the case of IAC PARKER who had been harassed and charged with the rape of a pregnant white woman and claims that "50 FBI Agents were rushed to the sleepy little town of Poplarville, where their methods of questioning have placed two Americans in the local hospital."

NATIONAL STATES RIGHTS PARTY (NSRP)

On November 3, 1958, a confidential source advised that the NSRP was formed in 1958 and is in control of past members of the Ku Klux Klan and notorious anti-Semites. At its convention at Louisville, Kentucky, on August 30, 1958, this party indicated that it was a political party dedicated to segregation.

The Ku Klux Klan has been designated by the United States Attorney General pursuant to Executive Order 10459.

## BRITISH AUTHORITY DISCUSSES FATE OF THE WHITE RACE

EDITOR'S NOTE: Below we reprint the substance of an article which recently appeared in a courageous British patriotic journal known as "Free Britain." No intelligent citizen dare ignore the deadly facts contained in this document.

In the arrival every week of hundreds of Negro immigrants, now totalling tens of thousands from Jamaica alone, we are witnessing the first stage of a social experiment by UNESCO, which intends to use the British Isles for the stock raising of a mixed breed of people resembling, if possible, the ultimate brown man in the picture recently published by this organization.

Reasons for choosing Britain as one of the most suitable areas in which UNESCO race mixing program can be started under controlled conditions, are several, an important consideration being that there is unlikely to be any interference from the British Government.

This was impressed upon the writer some years ago when the Home Office was unable to give any statistics on the number of half-breed children left behind by the Negro troops stationed here during the war. No figures relating to the mixed population were available from any Government Department, and the Home Office spokesman insisted that it was no part of his duty to deal with such inquiries, and that it was no concern of the British Government, so far as he was aware, to preserve the racial composition of the British people.

### Britain the Guinea-Pig

Then, apart from the attitude of the national press and the radio, which is an open invitation to all the colored races to seek association with white women, and the peculiar law lately introduced to give colored colonials free access to these islands with the full rights of permanent residence as citizens, there are the economic conditions which lead Jamaicans particularly to seek their own betterment in Great Britain.

With the door thus open, the influx of color into Britain gives every appearance of a natural movement of population—until one stops to inquire if it is, in fact, natural for the door to be open.

For the experiment UNESCO has in mind then, Britain in her present unnatural democratic mood is a most amenable guinea-pig nation and, in spite of being an island, is most vulnerable, as the center of a vast colonial empire, to invasion by every race in the world. For example, Pandit Nehru in wishing to shift some of the surplus population of India has only to raise a finger and immediately there are hundreds of Indians, together with Eurasians of partly French or Portuguese descent, waiting on the quaysides at Bombay. Recently they have been arriving in Britain in numbers equal to the Negro invasion. So it was not for nothing that Nehru's sister was elected President of the United Nations where UNESCO influence is necessary for securing key appointments. By such means it is a simple matter to lay on the pipelines for pumping color into Britain.

### Hatred for Whites

But even if it were not so simple, UNESCO has vital reasons for singling out the British people, more than those of any other country, for race liquidation. The United Nations Educational, Social and Cultural Organization (UNESCO)—the UN tail which wags the UN dog—is comprised in the main of Jews whose Communist sympathies have never been more than thinly disguised, if at all. And as revealed in the June issue of "Free Britain" UNESCO's teaching is unadulterated Communism with an overriding hatred for the white man's authority.

### Home of Nordic Race

Not only have the racial instincts of the British people been proof against the teachings of Jewish Communism, but also these islands have been the great reservoir from which all the white countries of the world, outside Europe, have drawn most of their population. Apart from thinly populated Scandinavia and North Germany, Great Britain is still the home of the Nordic race which alone stands across the Jews' path to world supremacy. The liquidation of the British people by race mixture is therefore the logical sequence to the last war which was fought to defeat Hitler's policy of uniting the white peoples in self-defense against Jewish ambition.

The racial policy upon which UNESCO is embarked is in fact Hitler's policy in reverse, and was described clearly as far back as the early 1920s when the seeds of UN were sown in the Pan-Europa Movement and particularly in the book "Practical Idealism" by its President, Count Kalergi. Kalergi, himself, a crossbreed, wrote that "The man of the future will be the cross-breed. The Pan-European will be of the Eurasian-Negroid mixture, in appearance similar to the ancient Egyptians, and of these the Jews will form a new aristocracy of spiritual grace".

Now the Jews of UNESCO have produced a picture of this brown-skinned Pan-European who is to be their hewer of wood and drawer of water in the brave new order which is to come about under their projected world government. That is when they achieve, in their own words, "The great ideal of Judaism in that all the world shall be imbued with Jewish teaching and in a Universal Brotherhood of Nations, a Greater Judaism in fact, all the separate races and religions shall disappear".

### Fate of Portugal

Meanwhile there is the Nordic race to consider, with Great Britain as its main reservoir and the center of a great Empire yet to be destroyed. The obvious means of destruction lie to their hand in race mixture. It is known to every student of the subject, not least to the Jews themselves, that this deadly scourge destroyed all the great Aryan civilizations of past. Whether by design or accident it is difficult

to tell at this distance of time, but the Jews were there to see the end and profit by it. But there is the later instance of the unhappy fate of Portugal in which they played a very decided and deliberate part, which should be remembered when reading their UNESCO pronouncement of 1950 for Gentile consumption which says that "racial discrimination has no scientific foundation in biological fact; mental and temperamental character of all races are essentially similar".

Let us note then the biological war which the Jews waged against Portugal with such devastating success only two hundred years ago. The facts are recalled by Arnold Leese in his pamphlet on "Our Jewish Aristocracy", where in an historical note on the fate of Spain and Portugal, he says:

"... the Spaniards and Portuguese had, however, made the supreme mistake of imagining that any Marrano (Jew professing Christianity) could be a substitute for a European. Absolute discrimination between white European Christians and the 'New Christians' as the Marranos were called, was only insisted upon by the best informed of the aristocracy, who kept a record of the New Christians so that intermarriage with them might cease. . . . Then, at last, the assault was deliberately made on the last citadel of racial purity. On St. John's Day, 1744, Frederick, Prince of Wales, Grand Master of English Masons, received socially the Portuguese Ambassador, Dom Sebastiao de Carvalho Mello. This gentleman became better known as Pombal. On May 2, 1768, Pombal ordered the destruction of all registers of Marrano families, and ordered all the heads of the exclusive and race-conscious Portuguese families to arrange that any daughter of marriageable age must be engaged within four months to marry a member of one of the hitherto excluded Jew-contaminated families".

#### Lost Interest

From that time the Portuguese governing class lost interest in the racial purity of the country and encouraged the importation of cheap Negro labor from the Portuguese colonies. The result is that even to the Africans the Portuguese are today known as the "Black Men of Europe". It is difficult to believe that such a few generations ago, when Portugal was building her once great overseas Empire, the majority of her pioneers were of the Nordic race. The Jew can certainly point to Portugal today and say with Oxy-mandias "Look on my works, ye mighty, and despair!"

A more recent case of calculated race contamination by those who say that "all races are essentially similar" was brought to light in 1935 when Jewish students in American universities had formed a national Jewish movement under the name of "Phi Beta Delta", with the principal object the seducing and violating Aryan girls. Three members brought to trial in New York were acquitted by the Jewish judge, Joseph Goldstein, on the grounds that "he did not wish to prejudice the future of these young people by sending them to prison". Not when their future lies in the work mapped out for them by UNESCO in spreading the doctrine of racial equality! It is a Jew, Arthur Spingarn, and not a Negro, who is president of the National Association for the Advancement of Colored People in America, the organization which has been sponsoring law suits all over that country to open up white schools, restaurants, buses and hotels to Negroes. Another Jew, Julius Rosenwald, has spent, according to our American friends in Atlanta, some 80 million dollars in financing organizations and writers to promote the idea of mixed breeding. #### Suppressed Views

This fact has to be borne in mind when reading the British press on the color question in this country. Even among the local newspapers in the New Harlem areas of London, Liverpool, Hull, Birmingham and other densely populated centers in England, there is no voice raised in protest when British families are squeezed out of their homes by the Negro immigrants. The word has been passed round the newspaper offices, it seems, that anti-color views like anti-Jewish views, must be suppressed even in letters from readers.

Those who profess to fight Communism run from any challenge on vital issues. Nowhere in our national press will you find any exposure of the following statement by the American Jewish publication "Jewish Life", which said on page 8 of its June issue, 1950: "Our job as Jewish Communists is to take the lead in educating the Jewish masses on the meaning of white supremacy and to enroll the Jewish community in an all-out fight against it. This is paramount in our work in the struggle for negro rights. This is vital to the struggle of the Jewish people for their own security and future." Our Jew-wise American friends who have seen the color question at close quarters longer than we have in this country make the point that the Jews are merely using the Negroes for their own purposes, that "they hate the Africans as well as us whites; they want to destroy both races by mongrelization".

"Free Britain" is not able to cross check at first hand all the information which comes from friends abroad and we are therefore forced to place on one side quantities of interesting matter until we can feel satisfied of its authenticity. Until such time it is not our practice to publish it. There is for example a report of a speech attributed to Rabbi Emanuel Rabinovich before a special meeting of the Emergency Council of European Rabbis in Budapest on January 12, 1952, which has been in our possession for nearly two years, and which has been published in America and by Einar Aberg of Norrken, Sweden. We have recently heard of the circumstances in which this was obtained, and with confidence in our informants we now give an extract from Aberg's leaflet relevant to all the above points. Rabinovich is reported as having said:

"We will openly reveal our identity with the races of Asia and Africa. I can state with assurance that the last generation of white children is now being born. Our Control Commissions (to be set up in all the wrecked countries after the Third World War, according to an earlier passage in the speech) will, in the interests of peace and wiping out inter-racial tensions, forbid the whites to mate with whites. The white women must cohabit with members of the dark races, and white men with dark women. Thus the white race will disappear, for mixing the dark with the white means the end of the white man, and our most dangerous enemy will become only a memory. We shall embark upon an era of ten thousand years of peace and plenty, the Pax Judaica, and our race will rule undisputed over the world. Our superior intelligence will easily enable us to retain mastery over a world of dark peoples".

As a forecast, the above depends on the bringing about of a Third World War, but as an expression of sentiment and ambition there can be no doubt of its accuracy so far as a very important and vocal section of Jewry is concerned. It serves to underline the motives behind the biological war now being waged against this country; a war which the British Government refuses to recognize as such.

Mr. Rivers;

Enclosed is the literature about which I phoned you today. The details which I can furnish about it are as follows.

On Tuesday evening, Oct. 26, I boarded a New York City Transit Authority B 13 Crescent Street bus at its starting point at Linden Street and Wyckoff Ave. in Ridgewood. The bus was empty save for the driver. One of these sheets was placed cartoon-side up on each of approximately eight or nine of the bus-seats in a conspicuous manner. This bus passes through the Ridgewood and Glendale areas in close proximity to some of the schools now involved in the transfer of negro students.

I have no intention of singling out the bus driver as the person responsible and realize that many groups use this method to distribute many different types of literature, but, in this instance this represents outsiders coming into my neighborhood and attempting to stir up trouble that, at present, doesn't exist.

in short, it's dirty pool and I don't like it

Thanks

He played both sides of the fence - Communist and Nazi. He wrote and illustrated and paid for some of its literature. He contributed as much as \$20.00 a week. He took charge of the so-called 'elite guard' and had these members hold secret meetings at his home. When attendance of the 'elite guard' fell off he brought in a call girl, name of [redacted] one of [redacted] girls, to lure them back. He dressed up the 'guard', bought them daggers, scabbards and some Sam Brown belts, also Swastika tie pins, at his own expense. He began to draw Swastikas on N.R.P. literature. For the cover of one bulletin he drew the picture of Adolph Hitler.

My Dear [redacted]

I can not tell you how pleased I was when [redacted]  
[redacted] brought your letter to me with the morning mail. As I looked  
the letter over I was even more pleased.. It is always good to  
know that there are others fighting as much as we here are.

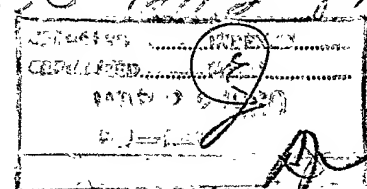

Your enclosures were just what I had wanted to  
see.. I would like to see to it that some of your pamphlets  
and leaflets are passed out in New York City.. All you would have  
to do is send them to us and I would see to it that the Elite  
Guard and other members of the Party do the Job..

I am putting your name up for membership in the Party  
and in my next letter you will find your Party card. We have a  
new leaflet coming off the press in a few days, its the best one  
yet, Ill send you some of them as soon as I get them..

The man that you were writing to I think was a  
Mr. Lundoff. He is not with the Party at this time.

As to "Fleck" the run in was this. I DON'T LIKE JEWS.  
I let things go with him for a long long time. but its my job to  
show people that NO ONE GETS AWAY WITH TALKING AND WRITING THINGS  
ABOUT THE NATIONAL RENAISSANCE PARTY THAT ARE NOT TRUE...

As for "Germany" being "defeated", If you would like  
me to I could send you some addresses of people in Germany.  
they are STILL FIGHTING..

All over the world, Nationalists are on the move.

The day is not far off,

Heil Hitler.

On 3/11/60, NIKOLAI I. BUROV, a member of the Sovdel to the UN, 680 Park Ave., NY, NY, received an envelope marked with the return address of the National Renaissance Party, 10 W. 10th St., NY, NY. This envelope was marked "personal" and enclosed a copy of the "National Renaissance Party Bulletin". This Bulletin was dated February, 1960, and marked Volume 2 #2.

The Bulletin stated in part as follows:

"In summation, let us state that the current wave of swastika paintings, like the synagogue bombings of yesteryear, were manufactured by Jewish fund raising organizations to achieve their purposes of terrifying gullible Jews into greater financial sacrifice; to stimulate mass migration of Jews from Central Europe to Israel; to exert pressure on world public opinion aimed at keeping Germany divided, and to institute new school curricular for the German youth, which will thoroughly brainwash the future generation and create a guilt complex among young Germans, thus facilitating the continuation of endless German reprisals to the State of Israel."

On 4/21/58, a confidential source stated that the National Renaissance Party is an anti-Semitic, anti-Negro, neo-Facist organization with activities generally confined to the NYC area. It was founded in 1949, by JAMES H. MADOLE, who is in complete control of

To Whom It May Concern:

This letter is to explain my activities in connection with the writing of a major study for the Columbia University Graduate School of Journalism in order to protect the reputation of a classmate, Anthony Heffernan.

Assigned to write a series of articles on Hate Groups in America, I decided to get the most up-to-date information on the subject by infiltrating a hate group in the New York City area. My target was James Madole's National Renaissance Party.

Being of the Jewish religion, I knew that Madole would not accept me into the group with my correct name, [redacted]. So I asked my good friend and classmate, [redacted] for permission to use his name in my dealings with the National Renaissance Party.

On or about 26 March 1960, I attended a National Renaissance meeting at Avlon Hall on West 43rd St under the name of [redacted]. When the meeting ended I left my new name for their subscription list.

On March 31, and April 4, I attended membership meetings at Madole's home at West 90th St., again using the name of [redacted]. I talked with Madole several times and told him I was planning to write a series of articles for a Southern newspaper about leading Northern segregationists.

When I felt that I gleaned enough information for the series for Columbia University, I ceased to attend any meetings of the National Renaissance Party or have any dealings or conversations or communication with James Madole or any member of his group.

The series, entitled HATE GROUPS: A Product of Prejudice, ~~xxxxx~~ is now deposited in the library of the Columbia University Graduate School of Journalism.

Since my disassociation with the group and its leader, the real [redacted] has received two bulleting from the National Renaissance Party at his [redacted] address at Columbia University.

This is to affirm for all time and to all persons that [redacted] has never attended a meeting of the National Renaissance Party or ever been a member of this organization.

Out of his friendship he lent me his name in order to get a news story of interest and value. To protect him in the future from any innuendo or accusation of membership in an un-American group, this communication is being mailed to the Federal Bureau of Investigation, Dean Edward W. Barrett of the School of Journalism, [redacted] and myself.

If any further information in this matter or about Party is requested, please contact me.....

National Renaissance Party

CALLING ALL FRIENDS OF THE NATIONAL RENAISSANCE PARTY!

The National Renaissance Party wishes to summon all its friends and supporters to its last public meeting before Election Day. The Democratic and Republican parties continue to drain America of her natural resources and to deprive our productive White Race of its civil and legal rights. Our enemies win every battle in their effort to destroy the pride and dignity of the White Race because of the ignorance, fear, and apathy of the American public who prefer baseball games and cocktail parties RATHER THAN ORGANIZING FOR POLITICAL ACTION.

MR. JAMES H. MADOLE, Leader of the NRP, will speak on the topic: "A CONCRETE POLITICAL AND RACIAL PROGRAM TO RESTORE AMERICA'S PAST GLORY".

THE SUCCESS OF THIS MEETING DEPENDS ENTIRELY ON YOUR PARTICIPATION. Those who stay home or fail to attend are directly contributing to the defeat of this Movement which is fighting the battle for the White Man's future in America. This dynamic meeting will be held on SATURDAY EVENING, OCTOBER 29TH, AT 8 P.M. IN STUDIO A OF THE AVLON STUDIOS, 220 WEST 43RD STREET, NYC (BETWEEN 7TH AND 8TH AVENUES, JUST OFF TIMES SQUARE). TELL YOUR FRIENDS. A discussion period will follow the meeting. DON'T LET US DOWN. BE WITH US ON OCTOBER 29TH!

The source further advised that one [redacted] who is employed in the post office at Arlington, Virginia, is a ROCKWELL sympathizer and a member of FAN.

By letter to New York dated 10/5/60, Richmond advised that the following individuals were four new members of captioned party: [redacted]

b7C

[redacted] and [redacted]

NYO indices reflected no information identifiable with these individuals. [redacted] on 10/31/60, advised he could furnish no information concerning them.

b2  
b7D

On 11/28/60, [redacted] advised that CONDE MC GINLEY of the Christian Educational Association, 530 Chestnut Street, Union, New Jersey, who publishes the periodical, "Common Sense," had stated that ROCKWELL had written a book in which ROCKWELL makes the statement that RUSSELL MAGUIRE, publisher of "American Mercury," had promised to pay \$10,000 to ROCKWELL, BILL EVANS of Annapolis and one of MC GINLEY's sons if they would kill some Jews.

b2  
b7D

The source stated that RUSSELL MAGUIRE has been unsuccessfully attempting to induce ROCKWELL to omit the above statement from his book.

NY 157-13

The source was unable to furnish any additional information concerning the alleged offer made by MAGUIRE except that CONDE MC GINLEY was worried because such a statement as made by ROCKWELL "could lead to an investigation by the authorities."

Concerning RUSSELL MAGUIRE, it is noted that on 3/9/59, JAMES F. O'NEIL, publisher of "The American Legion Magazine," advised that he had learned from various sources that RUSSELL MAGUIRE, Chairman of the Board of "American Mercury" magazine is a confirmed anti-Semite.

[redacted]  
[redacted] who furnished information to a Bureau representative at Washington, D.C. on 1/20/58, and with whom contact has not been sufficient to determine his reliability, advised that RUSSELL MAGUIRE was very anti-Semitic and described MAGUIRE as a refugee from the "crack-pot fringe."

On 11/28/60, [redacted] furnished two articles which had been mailed out by ROCKWELL. These articles consist of a pamphlet entitled, "And They Call Me A Jew Spy!", and a letter headed, "Urgent", and addressed to "Fellow American White Man!". Photostats of the above two articles are herewith enclosed for the information of the Bureau and Washington Field.

On 12/5/60, [redacted] advised that [redacted] had visited JAMES H. MADOLE in New York City, date unknown, and made the statement that he had left ROCKWELL and the American Nazi Party (ANP) because "Two more half-Jews have joined the Party and are now with Rockwell." [redacted] stated that he was returning to his home in Pennsylvania and would be the representative for the National States Rights Party (NSRP) in Wilkes-Barre, Pennsylvania. and that FRANKENHOUSER is now the NSRP Pennsylvania State Chairman. [ ] also stated that he had furnished a list of 2,000 names to the NSRP and offered MADOLE part or all of ROCKWELL's mailing list in return for MADOLE's mailing list in Pennsylvania. The source stated he did not know if MADOLE accepted [ ] offer.

The source further advised that [ ] who is now residing at [ ]

[ ] and had been succeeded as [ ] by [ ]

On 12/13/60, [ ] Bureau of Special Services, New York City Police Department, advised SA [ ] that on Sunday, 12/4/60, a meeting of PAN called by SETH DAVID RYAN was held in the Lotus Restaurant, 228 East 86th Street, New York City.

[ ] advised that in addition to RYAN there were about 12 persons present at this meeting and included ALBERT ROBERT DE MELLO, [ ] CHARLES BEVERIDGE, [ ] CHARLIE MONG who operates a TV repair shop at 175 East 89th Street, New York City, KURT NIPPE, 3024 Fulton Street, Brooklyn, New York, LUKE ALEXANDER DOMMER and DEMAREST PETERSEN (ph), a commercial photographer.

NYO indices reflect no pertinent information concerning DEMAREST PETERSEN or CHARLIE MONG.

It is noted that KURT NIPPE (Bufile 65-33939, NY File 105-9520) has in the past addressed letters to the Director and has furnished information both orally and by letter to the NYO concerning individuals who are active in the affairs of the NRP. However, a great deal of the information furnished by NIPPE was based on hearsay and conclusions drawn by him. It is further noted that NIPPE

NY 157-13

in the past has been irrational at times and unable to distinguish between facts and fiction.

NYO indices reflect that LUKE ALEXANDER DOMMER (NY file 105-32653) was interviewed by Special Agents of the FBI on 12/2/58, in order to develop information concerning bombings of a racial or religious nature. At that time DOMMER advised that he had been invited to participate in a demonstration in Washington, D.C. organized by GEORGE LINCOLN ROCKWELL in July, 1958, but had declined.

[redacted] advised that he did not learn what was discussed at the above meeting which lasted from 3:30 p.m. to 6:40 p.m. on 12/4/60, but advised that two congratulatory telegrams were received by RYAN at the Lotus Restaurant on 12/4/60; one from GEORGE LINCOLN ROCKWELL and the other from one RAYMOND GOODMAN, National Director of FAN. It is noted that as previously set forth in this communication, [redacted] furnished information that one RAY GOODMAN who is employed in the Post Office at Arlington, Virginia, is a ROCKWELL sympathizer and a member of FAN.

b2  
b6  
b7C  
b7D

On 12/14/60, [redacted] advised that in addition to those previously mentioned who attended the FAN meeting on 12/4/60, ERNEST ELMHURST and one SCOTT BARR (ph) who comes from Long Island, New York, were also present.

b2  
b7D

NYO indices contain no information identifiable with SCOTT BARR.

Concerning ERNEST ELMHURST it is noted that he was born in Germany in 1891 and entered the United States at New York City on 11/19/22, under the name of ERNEST FREDERICK CARL KLOPPLEICH. He was naturalized in United States District Court, Boston, Mass., on 4/22/29, under

NY 157-13

certificate number 2940861, at which time he changed his name to ERNEST FREDERIK ELMHURST. ELMHURST is the author of "World Hoax" in which he attempts to show the tie-up between Communism and world Jewry. In 1952 ELMHURST delivered a lecture in Hanover, Germany, before various youth organizations in which he advanced pro-Nazi arguments and attacked Great Britain.

According to [redacted] most of the talking at the 12/4/60, FAN meeting was done by RYAN and DE MELLO and BEVERIDGE previously mentioned. RYAN stated that the main purpose of the meeting was to enlist volunteers for a picket line on the motion picture "Exodus" which has its premiere in New York City on 12/15/60. According to RYAN, "FAN signs" will be used in this picket line.

b2  
b7D

RYAN also stated at this meeting that he had been informed that the name, "Fighting American Nationalists" to some people sounds entirely too belligerent and indicated that if a change is to be made he can easily retain the initials FAN and substitute for it, "For America Now" or "For Action Now."

The source further advised that at the above meeting BEVERIDGE mentioned that he will be in touch with the FAN group in South New Jersey and furnished RYAN with the phone number of this FAN group which sounded like [redacted]

NATIONAL RENAISSANCE PARTY  
IS - X

On 1/23/61, [redacted] who has furnished reliable information in the past, advised that a meeting sponsored by the National Renaissance Party (NRP) was held on Saturday night, 1/14/61, at the Avlon Studios, 220 West 43rd Street, NYC, with about 45 persons in attendance.

b2  
b7D

At this meeting, JAMES H. MADOLE, leader of the NRP announced that the NRP will circulate a petition, addressed to Senator WILLIAM FULBRIGHT of the Senate Foreign Relations Committee protesting the raising of funds by Jews in the USA that are deductible and are to be used to build up Israel. The petition also included a protest against the erection of a nuclear reactor in Israel and a protest against the actions of the Zionist "pressure groups" in the USA.

According to the source, about 12 persons present at the above meeting signed this petition.

MADOLE further stated at this meeting that the Federal Reserve Act, the Income Tax, and the advent of the Anti-Defamation League were instrumental in giving the Jews the control which they have in the USA.

He stated that President JOHN F. KENNEDY had to "curry the favor of the Jews" in order to be elected and that "nationalists", who think the Jews who supported President KENNEDY also support Russia are wrong.

MADOLE said that the fact that Russia refuses to permit Jews to emigrate to Israel plus the fact that 17 Jewish organizations protested Russia's anti-Zionist stand proves that Russia is no longer dominated by Jews.

MADOLE went on to state that Jews head such Negro organizations as the National Association for the Advancement of Colored People and the Urban League, and that he is opposed to desegregation and exploitation of the Negro by the Jews.

WILL RACIAL INTEGRATION DESTROY NORTH AMERICAN CIVILIZATION?

1. SIR SPENCER ST. JOHN--(Former British Consul-General in Haiti in his book, "HAITI, THE BLACK REPUBLIC"):

"The Haitians won their independence from the French shortly after the American colonists secured their freedom from England. The Negro within a short time had returned to his native Congo rites, snake worship, voodooism and cannibalism. Human flesh is often sold and sometimes served as food. For their cannibal rites, small children are stolen, sometimes poisoned and also given by their parents. A priest said to a Haitian mother, "How could you eat the flesh of your own child?" She answered coolly, "And who had a better right?" Perhaps this practice will explain why Haiti has had such a small increase in population. Their rulers are despotic, their courts are nothing but a mockery of justice."

2. (FROM THE DAVIS REPORT--A GOVERNMENT REPORT ON INTEGRATION IN WASHINGTON)

"The curtailment of normal social activities and the surprising sex problems were part of the price the people of the District of Columbia paid for an integrated school system. One of the dangerous and deplorable elements in the District of Columbia schools is the sex attitude of the Negro--even down into the lower elementary grades. Reports of attempted rape, assaults, chasing girls and even teachers. Negro girls soliciting boys at school, sex talk and suggestive talking and attempted fondling of White girls, and innumerable sex affronts were reported by the school personnel. Illegitimate children born to 15-year old girls increased 42% during the first year of integration over the preceding year. Very few Whites were involved."

3. LUDWIG BUCHNER--(German anthropologist in his book, "MAN IN THE PAST, PRESENT and FUTURE"):

"The experienced English traveller, Burton, depicts the Negro of East Africa as a being without any moral idea, or any thought reaching beyond the narrowest circle of things perceptible by the senses. He has or knows no conscience, no logic, no history, no poetry, no belief except the grossest superstition, no domestic life, no attachment to kindred, no inclination to labor, no gratitude, no compassion, no care for the future etc. Mentally he is totally barren and though he can observe, he can deduce nothing from what he has observed. Hence he has remained at the first beginnings of civilization and for thousands of years has made no progress although he has had sufficient contact with cultivated peoples."

4. ("THE AMSTERDAM NEWS", A letter to the Editor of this weekly Negro newspaper from Negro, Jerome B. Johnson, of New York City):

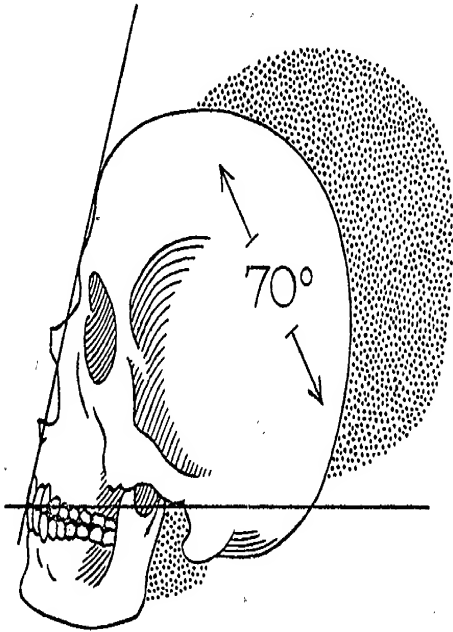

"In this fight for first class citizenship, the Negro himself has certain duties and responsibilities to fulfill. One character trait which stands out and needs much improvement is his behaviour. He is loud and vulgar and the filth that comes from his mouth is disgraceful and soul-sickening. The Negro male has no respect for womanhood. A lady walking the streets alone, is at his mercy with propositions and filth spewing from his mouth. He is constantly disfiguring and killing his own with his knives, razors, bottles and what have you. How can we expect respect if we first won't practice it ourselves?"

NRP ANNOUNCES CUBAN-AMERICAN FRIENDSHIP RALLY ON MARCH 11TH

The sinister campaign of hatred and vilification directed against the governments of President Gamal Nasser of the United Arab Republic and Premier Fidel Castro of Cuba by America's Zionist-dominated press, radio, and TV is turning the peoples of the Middle East and Latin America into bitter foes of the United States. We urge our Cuban and Arab friends to join with members of the National Renaissance Party in a mass unity rally to oppose this Zionist-sponsored campaign of hate!

Two color films will be shown depicting the aims and progress of the Cuban Revolution.

Dynamic speakers will discuss the parallels between the Nasser Revolution in the Middle East and the Castro Revolution in Latin America! The terrible economic slump in America and the NRP's plan for political conquest of America will also be discussed.

All who receive this notice are urged to attend this mass meeting on SATURDAY EVENING, MARCH 11TH, 1961, AT 8 P.M. IN STUDIO A OF THE AVLON STUDIOS, 220 WEST 43RD STREET, NYC (JUST OFF TIMES SQUARE BETWEEN 7TH AND 8TH AVENUES). Please come on time because of the film showings and bring all your friends.

APPENDIX

NATIONAL RENAISSANCE PARTY

On May 5, 1959, a source who has furnished reliable information in the past advised that the National Renaissance Party (NRP) is an anti-Semitic, anti-Christian, anti-Jewish, neo-fascist organization with activities generally confined to the New York City area. It was founded in 1959 by JAMES H. HANCOCK, who is in complete control of the party. The party's main function is distribution of the National Renaissance Bulletin, as a monthly bulletin and distribution of pro-Arab literature obtained from official Arab establishments in New York City.

The source further advised that the headquarters for the National Renaissance Party is located at the residence of JAMES H. HANCOCK at 14 West 10th Street, New York City.

The UN-American Activities Committee of the United States House of Representatives in a preliminary report, dated December 17, 1958, stated National Renaissance Party activities and propaganda are clearly subversive and un-American.

### FAIR PLAY FOR CUBA COMMITTEE

The April 6, 1960 edition of the "New York Times", a daily New York City newspaper, carried a full page advertisement captioned "What is Really Happening in Cuba?". The article maintained that the United States press has made certain charges against Cuba which are not true and the Fair Play for Cuba Committee was organized to tell the truth about Cuba in the interest of fair play. The advertisement closes with a note which states "This public appeal for Fair Play for Cuba has the support of a group of thinking individuals holding a variety of political persuasions, representing no one but themselves, linked here by a single common concern for the overriding principle of justice which is always at issue, whenever partisan interests clash with simple truth."

Re: American Nazi Party  
Racial Matters

On March 31, 1961, a source, who has furnished reliable information in the past, advised that Fridtjof-Karla Publications, Sycamore Hollow, Old Moon Road, Route 1, Box 188, Michigan City, Indiana, had issued a press release signed by Russell F. Knutson, Publisher, Fridtjof-Karla Press, which announced that a new book, "My Struggle", by Commander Lincoln Rockwell, founder of the American Nazi Party (ANP), was now available for \$6.75 a copy or \$4 per copy in a special ~~pre~~ publication offer, if five or more copies were ordered.

The press release describes "My Struggle" as an "intimate autobiography with the total inside story of America's undisputed No. 1 villain".

The source further advised that James H. Madole, leader of the National Renaissance Party (NRP), was thinking of inviting Rockwell to address a meeting of the NRP, but as yet has not been able to work out a plan or to decide whether to do it. Madole reportedly commented that he must have publicity and therefore, wishes to invite Rockwell to an NRP meeting in order "to attract Nationalists not Jews".

The source stated he could furnish no additional information at this time concerning Madole's projected invitation to Rockwell.

AMERICAN NAZI PARTY

A source, who has furnished reliable information in the past, advised on February 27, 1959, that George Lincoln Rockwell of Arlington, Virginia, had held an organizational meeting of the World Union of Free Enterprise, National Socialists (WUFENS) at his residence on February 26, 1959. Six persons were present and they, according to the source, comprised the beginning of an officer corps of the organization. Rockwell told those present that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American Party of the WUFENS.

Rockwell on March 29, 1959, furnished to Special Agents of the Federal Bureau of Investigation a copy of the program of the WUFENS, stating he expects to become President of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, called for the migration of Negroes to Africa and the trial and execution of all Jews guilty of Communist and Zionist treason.

The source advised on August 9, 1960, that the main activity of the organization has consisted of picketings of the White House with anti-Jewish placards, distribution of anti-Jewish literature and open-air talks by Rockwell, attacking Jews as traitors to the United States. On July 3, 1960 and July 24, 1960, Rockwell was arrested on charges of disorderly conduct. The charges arose out of talks by him on those dates. On the latter occasion, sixteen other members of the American Nazi Party also were charged with disorderly conduct.

NATIONAL RENAISSANCE PARTY (NRP)

On May 5, 1960, a source, who has furnished reliable information in the past, stated that the National Renaissance Party (NRP) is an anti-Semitic, anti-Christian, anti-Negro and neo-Fascist organization, with activities generally confined to the New York City area. It was founded in 1949 by James H. Madole, who is in complete control of the Party. The Party's main function is distribution of the "National Renaissance Bulletin" on a monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in New York City.

The source further advised that the headquarters for the NRP is located in the residence of James H. Madole at 10 West 90th Street, New York City.

The Un-American Activities Committee of the United States House of Representatives in a Preliminary Report, dated December 17, 1954, stated "National Renaissance Party activities and propaganda are clearly subversive and un-American".

The deadline for this project is May 17, 1961.

Pursuant to instructions set forth in Part II, Section 4, pages 21-23, of the Manual of Rules and Regulation, the NYO must submit annually by June 1st certain information concerning the characterization of organizations.

The above-captioned organization is among those organizations on which a characterization has previously been submitted and should be brought up to date, or one on which a characterization should be submitted.

SA [REDACTED] is assigned to review the existing thumbnail sketch on captioned organization to determine if the sketch is current, or to review the case file and prepare an original sketch where none exists.

All sketches should be rewritten to reflect current status of the organization and should be clear and concise. They should reflect date organization formed; its aims and purposes; subversive initiation, domination, or control; and current status. Information in the sketch should be attributed to "a source" and no "T" symbols nor evaluation of the sources should be reflected in the sketch. The identity and evaluation of the sources used should be reflected at the end of the sketch, with sufficient spacing to indicate it is not part of the sketch. This should be followed with the statement, "Careful consideration has been given and sources concealed only where absolutely necessary."

Characterizations of organizations will fall in one of the following categories:

- (A) Organizations which have become defunct since June 1, 1960.
- (B) Newly formed organizations which are pending and concerning which insufficient information exists as yet to prepare a thumbnail sketch.
- (C) All active organizations on which sketches are being submitted for approval.

If the case you are reviewing for this project falls in either of the first two categories, merely submit a memorandum for file, with a copy for the thumbnail sketch file (100-90311), reflecting Bureau file and date sketch submitted to Bureau reflecting organization is defunct. If the organization is newly formed, submit a memorandum reflecting Bureau file and a statement reflecting information set out in category "B." This memorandum should be forwarded to SA HENRY E. NAEHLE, Section 41.

If the organization falls within item "C", then prepare an up-to-date sketch, except in those cases where a current sketch has been submitted since April 1, 1961. In the latter case, merely submit a memorandum as above, reflecting date sketch submitted and Bureau file number.

Letters submitting sketches to the Bureau should be undated and prepared as follows:

Caption	Name of Organization
	Subversive Organization
	Characterization
	Character of Case

NY

Copies	2 - Bureau (Bufile) (RM)
	1 - NY 100-90311 (41)
	1 - NY (Case file) ( )

The copies to the Bureau will consist of the original and one copy. The copy should consist of only the first page of the letter. If approved, the Bureau will stamp "Approved" on the single-page copy and return it to the NYO.

At the time that you have the letter prepared, also have a 5 x 8 card typed reflecting the name of the organization at the upper left, Agent's name at top center, and the NY file number at upper right. Then have the sketch, identity and evaluation of sources, and statement about "Careful consideration" typed on the remainder of the card. Have your supervisor initial the card at lower left corner at the same time he initials the letter for transmittal to the Bureau. The letter, with card attached, should be forwarded to SA HENRY E. NAEHLE, Section 41, and they will all be transmitted to the Bureau by means of a cover letter.

Remember NOT TO DATE the letters to the Bureau and submit all memoranda or letters by MAY 17, 1961.

On August 7, 1961, a source, who has furnished reliable information in the past, furnished a throwaway which was captioned "Mass Meeting for American Patriots; Help Liberate Our American Republic from Domination by Organized Racial Minority Groups!"

This throwaway announced that a rally would be held at Arpad Hall, 323 East 82nd Street, New York 28, New York (between First and Second Avenues) on Friday evening August 18, 1961, at 8:00 p.m. This rally is to be sponsored by the National Renaissance Party (NRP).

The speaker is advertised as James H. Madole, leader of the NRP, and his topic is to be "Can America be saved from World War III?"

The following characterization of the NRP was obtained May 1, 1961, from the above-mentioned source who advised he obtained this information from a source he considered reliable:

# One-Man Party Gives One-Man Show Here

By DON KIRK

An American Flag drooped on the curtain at the rear of the stage. From the speaker's platform hung a red banner with a black thunderbolt inside a white circle. And behind the platform was James H. Madole, leader of the National Renaissance Party.

"The United State is run by a government of the Jews, for the Jews and by the Jews," Madole burst out in a clear, crackling voice to the applause of about 30 men and women at the meeting Friday night in the Arpad Hall, 323 E. 82nd St., in Yorkville.

"Are we going to preserve a nation with a native white population or are we going to create a mixed breed of people," he shouted to more applause.

James H. Madole, 34, born in Brooklyn, brought up by his mother in Beacon, N. Y., and a racist since his teens, talked of the founding of his party.

"The National Renaissance Party was formed in 1949 by a merger of the Nationalist Action League of Philadelphia and the German-American Republican League of New York.

"I have no doubt many in this area have belonged to the Christian Front, the Christian Mobil-

izers and the German-American Bund," he continued. "You know about us."

Several elderly men and women nodded their heads in fervent agreement.

#### Plans Monthly Meetings

Then Madole launched into his plan for the rejuvenation of his party—to hold meetings once a month in the hall and to reorganize street meetings "just like the ones we held in 1953 and 1954," he said in a voice high-pitched, strong and quivering with excitement.

"We will stand on the same corners here in Yorkville where the Jew Assemblyman Mark Lane has spoken and we will fight the Jew," he shouted to claps and more shouts around the hall.

But Madole noted that the fight to regain the heights of '53 and '54, when NRP was blasted by the House Un-American Activities Committee as "subversive," could not be waged without "a hard core of Americans in this hall every month."

Madole's pitch was virtually the same as it was when the Committee attacked him and his party seven years ago. He still advocated deporting Negroes, Jews, Puerto Ricans and other members of minority groups. He still advocated segregated housing, decreases in welfare benefits and small taxes.

Like his party, Friday night's meeting was a one-man show and Madole was flashing his impulsive, face-splitting grin to prove it. He greeted members at the door with courtesy, listened to them attentively during a question-and-answer period and said "good-night" to all the members and the merely curious as they left.

Dear Sir,

I called your agency to advise you of the fact that the enclosed handbill was being distributed this afternoon on 86<sup>th</sup> St and 2nd Avenue in New York City by three men.

I spoke with [redacted] who suggested I do so as you would be interested in the contents especially since a so called "Patriotic rally" is scheduled for September 15<sup>th</sup> of next week.

It is difficult for me to comment on this document without indicating strong emotional reaction. It is difficult enough restrain the anger one feels but I feel of our country is to survive as a democracy, it must be strong and vigilant. I realize we must permit others to speak their mind - This document is immoral, perverted and is a fraud in speaking of patriotism. I believe the greater majority of people are good & decent and genuinely grateful for what America stands for - be they Christian, Jew, black or white.

Please do your best concerning this matter.

### LETS KICK PRO-REDS AND RACE-MIXERS OUT OF YORKVILLE POLITICS

The NATIONAL RENAISSANCE PARTY is sponsoring a patriotic mass meeting to expose the un-American record of Yorkville's Jewish Assemblyman, Mark Lane, (born Mark Levine) and the so-called "Reform Democratic Movement". This gang of race-mixing politicians, led by the infamous Herbert Lehman and Eleanor Roosevelt of the old "Jew-Deal" clique, are shipping bus loads of semi-literate Negro and Puerto Rican children from the slums of East Harlem into the formerly White schools of Yorkville. The low moral standards and tendency towards dope addiction prevalent among the children of these backward minority groups will affect the White children of Yorkville turning your community into a jungle where it is unsafe for women to walk the streets at night. MARK LANE IS THE INSTRUMENT OF THESE RACIAL MINORITY PRESSURE GROUPS!

The Jew, Mark Lane, is paid by the White Taxpayers of Yorkville to represent their interests BUT HE TRAVELS TO JACKSON, MISSISSIPPI IN ORDER TO STIR UP RACIAL STRIFE ON BEHALF OF THE SO-CALLED "FREEDOM RIDERS" LED BY HIS FELLOW-JEW, MARVIN RICH. Mark Lane was released on bail. WHO PAID THE BAIL FOR THIS RACE-MIXING JEW AGITATOR? WAS IT THE STUPID WHITE TAXPAYERS OF YORKVILLE? Lane has promised to preserve low rent housing BUT WHITE PEOPLE OF YORKVILLE ARE BEING FORCED INTO CITY HOUSING PROJECTS WHERE THEY SHARE THE BLESSINGS OF TOTAL INTEGRATION WITH SLUM NEGROES, WHOSE HATRED OF WHITES IS WELL KNOWN. The luxury and duplex apartments which are replacing the brownstones and cold-water flats are packed with Jewish emigrants from European, allegedly slain by Hitler.

THIS PATRIOTIC PROTEST RALLY WILL BE HELD AT ARPAD HALL, 323 EAST 82ND STREET, NEW YORK 28, NY (BETWEEN FIRST AND SECOND AVENUES) ON FRIDAY EVENING, SEPTEMBER 15, 1961, AT 8 P.M.:. PLEASE COME ON TIME AND BRING YOUR FRIENDS. THE MEETING HALL WILL BE PROPERLY COOLED AND IS EASILY ACCESSIBLE BY THE IRT SUBWAY OR THIRD AVENUE BUS.

SPEAKER--JAMES H. MADOLE, LEADER OF THE NRP WHO HAS FOR 12 YEARS EXPOSED THE UN-DERMINING OF THE WHITE RACE IN AMERICA BY WELL ORGANIZED RACIAL MINORITY GROUPS.

The NRP fights for the future of the White man and his culture on the North American continent. BY STAYING HOME AND AVOIDING THIS ORGANIZATION YOU CONTRIBUTE TO THE ULTIMATE DOWNFALL OF AMERICA. SAVE THE FUTURE FOR YOUR CHILDREN. For further information subscribe to "THE NATIONAL RENAISSANCE BULLETIN" (cost \$2.00 per 12 issues and attend our meetings. BE AT ARPAD HALL ON SEPTEMBER 15.

FRANKENHouser stated that he had just returned from the South and that the Citizens' Councils are now "wise to the Jews" and are becoming openly anti-Semitic.

On 5/1/61, [redacted] advised that the NRP is an anti-Semitic, anti-Christian, anti-Negro, and neo-Fascist organization with activities generally confined to the New York City area. It was founded in 1949 by JAMES H. MADOLE, who is in complete control of the Party. The Party's main function is distribution of the "National Renaissance Bulletin" on a monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in NYC.

The source further advised that the headquarters for the NRP is located in the residence of JAMES H. MADOLE at 10 West 20th Street, NYC.

The Un-American Activities Committee of the United States House of Representatives in a Preliminary Report, dated December 17, 1954, stated "National Renaissance Party activities and propaganda are clearly subversive and un-American."

Gentlemen:

I am certain that you are already aware of the somewhat squirrely activities of the National Renaissance Party, but perhaps you can use the attached pieces of particularly scurrilous literature -- released by this group and suitable for pasting in "scrap" books.

The throw-away announcing their forthcoming mass meeting was received on the corner of 83rd Street and Second Avenue in Manhattan last Saturday at about 4:30 P.M. The brochure outlining the virtues of "Close That Bedroom Door" was received in the mail yesterday, together with another announcement of the mass meeting. This latter missive has been forwarded to the New York City Police -- in the event that someone might like to attend. It certainly sounds lively enough from its description, as does "Close That Bedroom Door".

My only problem is an inability to discern who could possibly be attending the meeting, since this outfit seems to be down on everyone.

Sincerely yours,

John J. Bedell

# The Spreading Nazi Plague In N.Y. Holes and Corners

(Special to The Worker)

JUST a few doors down the street from the Torah V'Avoda Center, on West 90th street, in N. Y. City's predominately Jewish Central Park West area, are the headquarters of the neo-Nazi National Renaissance Party.

The headquarters are in the living room of James H. Madole—the longtime leader of anti-semitic activity.

Madole, who picked up the pieces of the defunct German-American Bund membership after World War II and who does his organizing partly in the bars of Yorkville, now operates his cesspool of Jew-hating and Negro-hating literature from his cramped, furnished roomish apartment (#8) at 10 West 90th Street.

Literature of the National Renaissance Party and applicants for membership in this racist group are directed to this address.

However Madole, and his young toughs, still concentrate

their activities in Yorkville. Last November 17th, for example, they held what they called a "BIG 'CIVIL RIGHTS FOR WHITES' RALLY" in the meeting hall of the Dublin Bay Cafe at 118 East 88th Street, to the rear of the bar. This "RALLY" featured a vicious attack of the Jewish and Negro people of the city.

"Jews control New York City's education," the Renaissance Party charged; "Our children are being systematically brainwashed by 40,000 Jewish teachers."

Spewing forth their usual anti-semitism, the Madole's followers went on to couple this with a slander of the Negro and Puerto Rican people. "Jewish elements constantly agitate for unrestricted immigration," they fumed, and this will lead to the destruction of the "White Race" by "lower forms of humanity" from "Africa and the Caribbean Islands."

This was proclaimed at a public meeting, in the City of New York, not five blocks from Mayor

Protests of veterans groups drove these neo-nazis off the streets, back in the late 1940's. In those days Madole's young toughs, who were given to wearing black leather jackets, specialized in disrupting meetings of the late Congressman Vito Marcantonio and the American Labor Party. Now, revitalized by the rightist revival, and emboldened to once more hold public rallies, the Renaissance outfit is turning its venom on State Assemblyman Mark Lane whom they call "THIS RACE-MIXING JEWISH AGITATOR."

Assemblyman Lane was singled out for attack at a Renaissance Party election rally — "LET'S KICK PRO-REDS AND RACE-MIXERS OUT OF YORKVILLE POLITICS" — held in the Arpad Hall, at 323 East 82nd Street, during last autumn's Democratic Primary fight.

The "old Jew-Deal clique," said the Renaissance Party, was behind Lane and the Reform Democrats who were "undermining the White Race" by "shipping busloads of semi-literate Negro and Puerto Rican children" into Yorkville schools.

Such racist appeals to hatred and violence have been the stock in trade of the National Renaissance Party.

★

LESS VEHEMENT, but even more active, has been the Nationalist Party.

The Nationalists are a city-wide outfit whose program seems to be borrowed in part from Rockwell's American Nazi Party and in part from Gerald L. K. Smith's "Christian Nationalists." In the name of "Western Christian Civilization" these fanatics demand the end of public education (it "must be replaced"), the end of public housing, support of the House Un-American Committee, McCarran Act, etc. and the "KILLING" of "THE REDS." Though going out of the way to insist "We are not Nazis" the tactics of the group closely parallel those of the neo-Nazis.

Curiously they are hypersensitive on this point. "The Nationalist Party has no affiliation with any other organization of similar name or attitude" they say.

Their emblem—a cross shaped like a dagger—indicates their philosophy well enough.

Unlike the Renaissance Party and other neo-nazi groups however the Nationalists rarely hold public meetings. Their main activity is the loud and slanderous picketing of peace rallies and progressive meetings.

These activities are "our answer to the phony rantings of hyperinactive conservatives," say Nationalist "Chairman" Joseph McKay and "Security Officer" Paul Dommer.

Incidentally, the Nationalist Party also has a full-fledged "Public Relations Director," one H. Roy Bruce.

★

OF COURSE, then there is the American Nazi Party itself.

Lieutenants of Nazi "Commander" Norman Rockwell have recently been making frequent trips to New York on organizing activities. One of the most active has been "Lt." Seth Ryan, who is "field representative" and "National Organizational Secretary" of the American Nazi Party. Ryan has come to New York

not only of fund-raising jaunts, but to look after the Nazis' clandestine apparatus here.

Obviously the Nazis, for all their bravado, are cautious about opening public headquarters in a city with as strong a democratic tradition as that of New York City. Thus they hide their activities behind various, innocuous sounding "fronts."

One of the major Nazi "fronts" is the so-called "Parliament House" press which gives its address as "Suite 1015, 501 Fifth Avenue." In reality this address is merely a pigeon hole in a mail-drop run by a New York business firm. The cost of this swanky seeming mailing address is \$10 a month and was contracted for, according to reports, by "Lt." Ryan himself.

The phony "Parliament House" publishers is a distributing outfit for Nazi "Commander" Rockwell's new book, "This Time The World," which is being ballyhooed as "the American Mein Kampf."

"Especially every Jewish person MUST read 'This Time The World!'," says a "Parliament House" brochure, for, "The very lives of American Jews may depend on their reading and understanding this book in time."

This open threat to the "lives of American Jews" is blatantly made by a Nazi "front" in the midst of New York City.

★

YET, WHEN a Brooklyn Rabbi was beat up by a self-proclaimed

group of Nazi thugs in Greenwich Village a few weeks ago the New York City policeman called to investigate the beating pooh-poohed the Rabbi's story.

"There are no nazis walking the streets of New York," the policeman is quoted as saying.

If only that were true. Neo-nazis and nazis are not only "walking the streets of New York City," but they are brazenly holding public meetings, distributing anti-semitic literature, setting up clubs of would-be Storm Troopers, and organizing in all the nefarious ways that made the German-American Bund such a scandalous slur on the life of our city.

Unable to restrain their own appeals to hate and violence, nazi toughs recently raided a West Side Synagogue. They besmirched it not only with anti-semitic curses, but in their overwrought hatred wrote some of these curses in German!

Some of these young nazis, being new to the Jew-hating racket, and inflamed by a lifetime of cold war hysteria, will catapult into headlines from time to time with their anti-semitic outbursts.

However the greatest danger lies not in these outbursts, vile as they are, but in the increasing organization of neo-nazi and nazi groups, secretly and underneath the seeming calm of normal political life. It is this secret organization that is growing at an alarming rate... even in the backrooms of bars five blocks from the Mayor's mansion.

Re: American National Party  
Racial Matters

On January 22, 1962, a source with whom contact has been insufficient to determine his reliability, advised that the American National Party, Post Office Box 191, Gracie Station, New York 28, New York, has recently leased the premises at 190-02 Woodhull Avenue, Hollis, Queens, New York, for \$30.00 per month. The source advised that the above premises consists of a small store located in an isolated building, which captioned party intends to use as a place to meet visitors, but no use of it will be made to hold meetings there since space is limited.

The source stated that the present membership of the American National Party consists of John Patler, National Chairman, address unknown; Dan Burros, Vice Chairman, Internal Security, who resides at [redacted]

[redacted] Erika von Froreich, wife of John Patler, Registrar and National Treasurer, currently residing in Arlington, Virginia, exact address unknown; Ralph Grandinetti, New York State Chairman and National Organizer, who resides at [redacted]

Paul Dukel, Defense Corps Commander, who resides at [redacted]  
[redacted]; and Peter Mueser, who resides at [redacted]

According to the source, all of the above individuals, with the exception of Mueser, are former members of the American Nazi Party (ANP), who severed connections with the ANP because of policy disagreements with George Lincoln Rockwell, ANP leader.

Re: American National Party

The source further advised that captioned organization is attempting to establish Herman Forbes, [redacted] as its representative in Florida, but Forbes as yet has not indicated any desire to align himself with captioned organization. The source stated that Forbes, who at one time was an ANP member, is [redacted].

The source stated that there has been no activity by the American National Party in recent weeks, and advised that captioned organization participated in one picketing in November, 1961, two in December, 1961, and none since then. According to the source, the above picketings were restricted to being anti-Communist picketings. The source stated that members of captioned party have also distributed a leaflet which demands that the United States wage war against Russia before Russia attacks the United States. The main purpose of this leaflet according to the source, is to shock people into an awareness of the existence of captioned organization, and to obtain free publicity which might not be obtained through more subtle literature.

According to the source, the distribution of this literature has been effective since an article pertaining to captioned organization has already appeared in "The Worker".

"The Worker" is an east coast Communist newspaper.

The source further stated that the American National Party deliberately aims at stirring up "the Commies" and plans are being formulated to distribute literature in front of Communist Party (CP) headquarters in New York City, but as yet no definite date has been set for this distribution.

The source advised that the American National Party has recently obtained membership in the Northern

European Ring, 74 Princedale Road, London, England, which the source described as a loose organization of national racial groups from the North European countries. The purpose of contact with the above mentioned ring has been for a free exchange of literature.

The source stated that approximately one month ago, [ ] and [ ] visited James H. Madole, leader of the National Renaissance Party (NRP), 10 West 90th Street, New York City, at the invitation of Madole. Madole was anxious to obtain the cooperation of the American National Party in supporting the NRP, but members of captioned party will probably not render any assistance to Madole because of his pro-Castro and pro-Soviet stand. Madole spoke of re-instituting NRP meetings in the Spring of 1962, and requested the support of the American National Party in publicizing these meetings and increasing the attendance at them.

The source further stated that [ ] and [ ] paid a visit to Conde McGinley at the Christian Educational Association, 530 Chestnut Street, Union, New Jersey, a few weeks ago primarily for the purpose of attempting to attract new members to the American National Party, as well as distribute literature. According to the source, [ ] arranged to draw some cartoons for McGinley's publication, "Common Sense".

The source further advised that on Friday evening, January 5, 1962, Roy Frankhouser, from Reading, Pennsylvania, who is National Organizer for the National States Rights Party (NSRP), met with [ ] at the Bavarian Inn, in the Yorkville section of New York City. Frankhouser, who advised that he would be traveling in the western part of the United States for the next couple of months attempting to recruit new NSRP members, informed [ ] that there would always be a place in the NSRP for [ ] and other members of captioned party should they desire to join up with the NSRP.

Re: American National Party

The source advised that future plans of captioned organization called for outdoor meetings to be held in the Spring of 1962, in the Yorkville section of New York City, at 86th Street and Third Avenue, New York City. As yet no definite plans for these meetings have been formulated.

Characterizations of ANP, NRP, "Common Sense", and the NSRP are attached hereto.

All sources mentioned therein have furnished reliable information in the past.

Re: American National Party

AMERICAN NAZI PARTY, ALSO KNOWN AS  
WORLD UNION OF FREE ENTERPRISE NATIONAL SOCIALISTS

A source advised on February 27, 1959, that George Lincoln Rockwell, of Arlington, Virginia, had held an organizational meeting of the World Union of Free Enterprise National Socialists (WUFENS) at his residence on February 26, 1959.

Six persons were present and they, according to the source, comprised the beginning of an officer corps of the organization. Rockwell told those present that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American Party of the WUFENS.

Rockwell, on March 26, 1959, furnished to Special Agents of the Federal Bureau of Investigation, a copy of the program of the WUFENS stating that he expects to become President of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of Communist and Zionist treason.

A second source advised on August 8, 1961, that the main activity of the organization, in furtherance of these objectives, had consisted of picketings with anti-Jewish and anti-Negro placards and talks by Rockwell attacking Jews as traitors to the United States. The headquarters of the American Nazi Party is located at 928 North Randolph Street, Arlington, Virginia.

NATIONAL RENAISSANCE PARTY

On May 1, 1961, a source stated that the National Renaissance Party (NRP) is an anti-Semitic, anti-Christian, anti-Negro, and neo-Fascist organization with activities generally confined to the New York City area. It was founded in 1949 by James H. Madole, who is in complete control of the Party. The source further advised that the headquarters for the NRP is located in the residence of James H. Madole at 10 West 90th Street, New York City.

The Un-American Activities Committee of the United States House of Representatives in a Preliminary Report dated December 17, 1954, stated "National Renaissance Party activities and propaganda are clearly subversive and un-American".

The above source obtained his information from a source he termed reliable, but whose identity he did not wish to disclose.

Re: American National Party

"COMMON SENSE"

"Common Sense" is a bi-monthly tabloid size newspaper published by the Christian Educational Association, 530 Chestnut Street, Union, New Jersey. The last statement of ownership appeared in the October 1, 1959 issue and listed the owner and publisher as the Christian Educational Association and Editor as Conde Mc Ginley. Each issue of the publication contains a box which indicates that Mc Ginley is the Editor and that it is published by the Christian Educational Association.

The Committee on Un-American Activities of the United States House of Representatives on December 17, 1954, published the "Preliminary Report on Neo-Fascist and Hate Groups" in which their growth and objectives are discussed at length. This report indicates that "Common Sense" has a fluctuating circulation of between 30,000 and 100,000 copies an issue. The report described the paper as a "hate sheet", the vehicle publishing "some of the most Vitriolic hate propaganda ever to come to the attention of the Committee".

According to the report, "Common Sense" depicts Communism as "Judaism" and devotes its pages almost entirely to attacks on the Jewish and to a lesser extent the Negro minorities in the United States. Sympathy for the former Nazi government in Germany is also shown in the paper.

Re: American National Party

NATIONAL STATES RIGHTS PARTY

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont", a newspaper of Greenville, South Carolina, reported that a "Ku Klux Klan" spokesman of Greenville reported the recent formation of a new political party to be known as the United White Party. According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many Klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals".

The July, 1958, issue of "The Thunderbolt", self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP) reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party" with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of the Ku Klux Klan and notorious anti-Semites.

Issue #19, dated June, 1960, of "The Thunderbolt" announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

On June 17, 1960, a source advised that Edward R. Fields, the Information Director of the NSRP, is the individual who "runs the NSRP".

The March, 1959, issue of the Anti-Defamation League Bulletin contained an article by Jerome Bakst entitled "Angry Young Men of Hate". Regarding Edward R. Fields, the

Re: American National Party

article stated, "Fields, 26 years old and a Louisville chiropractor, is a key figure in the National States Rights Party and co-ordinator of all its activities, contacts and liaison with leaders of other "hate groups. He apparently started Jew-baiting in his teens, aided Stoner in the Christian anti-Jewish Party, and got involved in newspaper notoriety while attending chiropractory school in Davenport, Iowa. There, early in 1954, according to newspaper reports, he pasted anti-Jewish stickers on store windows during Brotherhood Week".

A source advised in May, 1961, that Dr. Edward R. Fields participated in the disturbance at the Trailways Bus Station, Birmingham, on May 14, 1961, involving the "Freedom Riders" and, in fact, caused the fighting there.

The Ku Klux Klan has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

NATIONAL SOCIALISTS

A source advised on February 27, 1959, that GEORGE LINCOLN ROCKWELL, of Arlington, Virginia, had held an organizational meeting of the World Union of Free Enterprises National Socialists (WUFENS) at his residence on February 26, 1959.

Six persons were present and they, according to the source, comprised the beginning of an officer corps of the organization. ROCKWELL told those present, that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American Party of the WUFENS.

ROCKWELL, on March 26, 1959, furnished to Special Agents of the FBI, a copy of the program of the WUFENS stating that he expects to become President of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, call for migration of Negroes to Africa and the trial and execution of all Jews guilty of Communist and Zionist treason.

A second source advised on August 8, 1961, that the main activity of the organization, in furtherance of these objectives, had consisted of picketings with anti-Jewish and anti-Negro placards and talks by ROCKWELL attacking Jews as traitors to the United States. FAIR PLAY FOR CUBA COMMITTEE (FPCC)

The April 6, 1960, edition of "The New York Times" newspaper contains a full page advertisement captioned, "What Is Really Happening in Cuba," placed by the FPCC. This advertisement announced the formation of the FPCC in New York City, listed various sponsors of the Committee and declared the FPCC intended to promulgate "the truth about revolutionary Cuba" to neutralize the distorted American press on Cuban affairs.

"The New York Times" edition of January 11, 1961, reported that at a hearing conducted before the United States Senate Internal Security Subcommittee on January 10, 1961, Dr. CHARLES A. SANTOS-BUCH identified himself as one of the organizers of the FPCC. Also, Dr. SANTOS-BUCH identified ROBERT TABER as a co-organizer of the FPCC and said TABER drafted the aforementioned FPCC advertisement. Dr. SANTOS-BUCH further testified that he and TABER obtained \$3,500 from the Cuban Government through the son of Cuba's Foreign Minister, which funds, along with about \$1,100 collected from supporters of the FPCC, paid for the cost of aforementioned advertisement in "The New York Times."

On October 3, 1960, a source advised that the Socialist Workers Party (SWP) in New York had become active in the FPCC, and that SWP members, in a recent FPCC election, had been able to remove several Communist Party members who were on the Executive Board of the FPCC and gain control of the organization. This source asserted that the SWP members believed that they had achieved a great influence in the course of the Cuban revolution through their control of the FPCC.

On February 10, 1961, a second source advised that PHIL BART, National Organizational Secretary and member of the National Committee, CP, USA, had reportedly stated recently that the FPCC had been captured by the Trotskyites, but that the CP had not given up in the FPCC.

The SWP and the CP, USA, have been designated by the Attorney General of the United States pursuant to Executive Order 10450.

FIGHTING AMERICAN NATIONALISTS

On February 23, 1961, GEORGE LINCOLN ROCKWELL, Leader of the American Nazi Party (ANP), advised Special Agents of the Federal Bureau of Investigation that the Fighting American Nationalists (FAN) was organized [redacted] as an anti-Communist organization. ROCKWELL said FAN was organized in September, 1960, and it is a separate and distinct group from the ANP, but members of FAN are "frustrated Nazis" who do not like to wear the swastika or be associated with the principles of ADOLF HITLER.

ROCKWELL stated individuals have expressed an interest in the FAN and since FAN is in consort with and guided by the ANP, these individuals soon realize the use of the swastika is the best method in getting recognition in their fight against Communism. Soon these individuals join the ANP, ROCKWELL said.

ROCKWELL continued there are three members of the FAN in Washington, D.C.: RAYMOND D. GOODMAN the National Director, [redacted] and [redacted]  
[redacted]

A source advised on February 17, 1961, that in talking to J. V. KENNETH MORGAN, Deputy Commander, ANP, MORGAN stated there is no legal connection between FAN and ANP but FAN was organized under the guidance of ROCKWELL and it is used as a front group dominated by the principles and objectives of the ANP and looks to GEORGE LINCOLN ROCKWELL as its leader.

At 6:40 p.m., approximately 800 individuals representing the Americans for Democratic Action, Students for a Democratic Society, and the Youth Organizing Committee Against the Ultra-Right Rally began to picket outside Madison Square Garden, 50th Street and 8th Avenue, New York City, where a rally sponsored by the Young Americans for Freedom was held with approximately 18,000 individuals in attendance.

Young Americans for Freedom Rally. However, according to [redacted] Watts' plan to lease the Palm Gardens Ballroom had been cancelled in favor of the Youth Organizing Committee Against the Ultra-Right Rally (YOC) joining forces with the Americans for Democratic Action to attend the Americans for Democratic Action Rally at St. Nicholas Arena, New York City, and also picket against the Young Americans for Freedom Rally. b6 b7C

On March 8, 1962, a source, who has furnished reliable information in the past, advised that Watts had stated on March 6, 1962, that he had circulated a press release on March 5, 1962, which set forth that the Liberation Committee for Africa was withdrawing from participation in any demonstration against the Young Americans for Freedom.

According to the source, Watts stated that the reason for the Liberation Committee for Africa's withdrawal was the Americans for Democratic Action's takeover of his "brainchild," the YOC, and also because the Socialist Workers Party had secured domination of the YOC. Watts also stated that some African nationalist groups based in the Harlem area, who had originally intended to picket the Young Americans for Freedom Rally, had lost interest because of the Socialist Workers Party's domination of the YOC and the non-appearance of Moishe Tshombe at the Young Americans for Freedom Rally.

The Socialist Workers Party has been designated by the Attorney General pursuant to Executive Order 10450.

A source advised on February 27, 1959, that GEORGE LINCOLN ROCKWELL, of Arlington, Virginia, had held an organizational meeting of the World Union of Free Enterprises National Socialists (WUFENS) at his residence on February 26, 1959.

Six persons were present and they, according to the source, comprised the beginning of an officer corps of the organization. ROCKWELL told those present, that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American Party of the WUFENS.

FIGHTING AMERICAN NATIONALISTS

On February 23, 1961, GEORGE LINCOLN ROCKWELL, Leader of the American Nazi Party (ANP), advised Special Agents of the Federal Bureau of Investigation that the Fighting American Nationalists (FAN) was organized [redacted] as an anti-Communist organization. ROCKWELL said FAN was organized in September, 1960, and it is a separate and distinct group from the ANP, but members of FAN are "frustrated Nazis" who do not like to wear the swastika or be associated with the principles of ADOLF HITLER.

ROCKWELL stated individuals have expressed an interest in the FAN and since FAN is in consort with and guided by the ANP, these individuals soon realize the use of the swastika is the best method in getting recognition in their fight against Communism. Soon these individuals join the ANP, ROCKWELL said.

ROCKWELL continued there are three members of the FAN in Washington, D.C.: RAYMOND D. GOODMAN, the National Director [redacted] and [redacted]

A source advised on February 17, 1961, that in talking to J. V. KENNETH MORGAN, Deputy Commander, ANP, MORGAN stated there is no legal connection between FAN and ANP but FAN was organized under the guidance of ROCKWELL and it is used as a front group dominated by the principles and objectives of the ANP and looks to GEORGE LINCOLN ROCKWELL as its leader.

FAIR PLAY FOR CUBA COMMITTEE (FPCC)

The April 6, 1960, edition of "The New York Times" newspaper contains a full page advertisement captioned, "What Is Really Happening in Cuba," placed by the FPCC. This advertisement announced the formation of the FPCC in New York City, listed various sponsors of the Committee and declared the FPCC intended to promulgate "the truth about revolutionary Cuba" to neutralize the distorted American press on Cuban affairs.

"The New York Times" edition of January 11, 1961, reported that at a hearing conducted before the United States Senate Internal Security Subcommittee on January 10, 1961, Dr. CHARLES A. SANTOS-BUCH identified himself as one of the organizers of the FPCC. Also, Dr. SANTOS-BUCH identified ROBERT TABER as a co-organizer of the FPCC and said TABER drafted the aforementioned FPCC advertisement. Dr. SANTOS-BUCH further testified that he and TABER obtained \$3,500 from the Cuban Government through the son of Cuba's Foreign Minister, which funds, along with about \$1,100 collected from supporters of the FPCC, paid for the cost of aforementioned advertisement in "The New York Times."

On October 3, 1960, a source advised that the Socialist Workers Party (SWP) in New York had become active in the FPCC, and that SWP members, in a recent FPCC election, had been able to remove several Communist Party members who were on the Executive Board of the FPCC and gain control of the organization. This source asserted that the SWP members believed that they had achieved a great influence in the course of the Cuban revolution through their control of the FPCC.

On February 10, 1961, a second source advised that PHIL BART, National Organizational Secretary and member of the National Committee, CP, USA, had reportedly stated recently that the FPCC had been captured by the Trotskyites, but that the CP had not given up in the FPCC.

The SWP and the CP, USA, have been designated by the Attorney General of the United States pursuant to Executive Order 10450.

CHRISTIAN EDUCATIONAL ASSOCIATION ---

"Common Sense" is a bi-monthly tabloid size newspaper, published by the Christian Educational Association, 530 Chestnut Street, Union, New Jersey. The last statement of ownership appeared in the October 1, 1959, issue and listed the owner and publisher as the Christian Educational Association and Editor as Conde Mc Ginley. Each issue of the publication contains a box which indicates that Mc Ginley is the Editor and that it is published by the Christian Educational Association.

The Committee on Un-American Activities of the United States House of Representatives on December 17, 1954, published the "Preliminary Report on Neo-Fascist and Hate Groups", in which their growth and objectives are discussed at length. This report indicates that "Common Sense" has a fluctuating circulation of between 30,000 and 100,000 copies an issue. The report described the paper as a "hate sheet", the vehicle publishing "some of the most vitriolic hate propaganda ever to come to the attention of the Committee".

According to the report, "Common Sense" depicts Communism as "Judaism" and devotes its pages almost entirely to attacks on the Jewish and to a lesser extent the Negro minorities in the United States. Sympathy for the former Nazi Government in Germany is also shown in the paper.

FROM: SA HENRY E. NAEHLE (41)

SUBJECT: NATIONAL RENAISSANCE PARTY  
SUBVERSIVE ORGANIZATION CHARACTERIZATION  
IS-~~X~~

DATE: 4/16/62

The deadline for this project is May 18, 1962.

Pursuant to instructions set forth in Part II, Section 4, pages 21-23, of the Manual of Rules and Regulation, the NYO must submit annually by June 1st certain information concerning the characterization of organizations.

The above-captioned organization is among those organizations on which a characterization has previously been submitted and should be brought up to date, or one on which a characterization should be submitted.

SA [REDACTED] is assigned to review the existing thumbnail sketch on captioned organization to determine if the sketch is current, or to review the case file and prepare an original sketch where none exists.

All sketches should be rewritten to reflect current status of the organization and should be clear and concise. They should reflect date organization formed; its aims and purposes; subversive initiation, domination, or control; and current status. Information in the sketch should be attributed to "a source" and no "T" symbols nor evaluation of the sources should be reflected in the sketch. The identity and evaluation of the sources used should be reflected at the end of the sketch, under the heading "Sources," with sufficient spacing to indicate it is not part of the sketch. This should be followed with the statement, "Careful consideration has been given and sources concealed only where absolutely necessary."

MASS MEETING TO OPPOSE JEWISH LEADERSHIP OF THE CONSERVATIVE MOVEMENT

While all major Jewish organizations in the United States, inclusive of the Jewish War Veterans, the American Jewish Committee, the Anti-Defamation League of B'nai B'rith, and various Zionist groups, have viciously smeared and denounced the rebirth of American nationalism as embodied in the Conservative Movement, MANY JEWISH INTELLECTUALS, SOME WITH FORMER COMMUNIST RECORDS, HAVE BEEN ORDERED TO INFILTRATE AND CAPTURE KEY POSITIONS OF LEADERSHIP WITHIN THE CONSERVATIVE HIERARCHY. These phoney Jewish conservatives want to divert public attention from internal subversion and focus national opinion on the activities of foreign Communist governments in Cuba, Soviet Russia, and Red China. THEY SEEK TO PREVENT ANY FURTHER CONGRESSIONAL INVESTIGATIONS OF DOMESTIC SUBVERSION, WHICH THESE SAME JEWISH OUTFITS LABELLED AS "WITCH HUNTS" DURING THE McCARTHY HEARINGS, BECAUSE TOO MANY OF THEIR CO-RACIALS WERE CAUGHT UP IN THE DRAGNET.

THE NATIONAL RENAISSANCE PARTY WISHES TO EXPOSE THE NEFARIOUS METHODS USED BY THIS PHONEY "KOSHER CONSERVATIVE" LEADERSHIP TO DIVERT THE EFFORTS AND ACTIVITIES OF SINCERE PATRIOTS INTO THE WRONG CHANNELS! A mass rally for American nationalists will be held on FRIDAY EVENING, APRIL 27, 1962, AT 8 P.M. in the WEST ROOM, of the HENRY HUDSON HOTEL, 353 WEST 57TH STREET, NYC (ON THE CORNER OF NINTH AVENUE & 57TH STREET). The featured speaker will be JAMES H. MADOLE, LEADER OF THE NRP, WHO WILL ADDRESS THE RALLY ON THE TOPIC: "CAN AMERICAN NATIONALISM CONQUER THE UNITED STATES AND WIN THE COLD WAR?"

1. Are you aware that every effort is being made by Jewish "Conservatives" like Barry Goldwater, Roy Cohn, Dr. Fred Schwarz, an Australian Jew who grosses over one million dollars per year through his "CHRISTIAN ANTI-COMMUNIST CRUSADE" George Sokolsky, and Marvin Liebman, TO DISCREDIT AND UNDERMINE SUCH GENTILE PATRIOTS AS MAJOR GENERAL EDWIN WALKER AND ROBERT WELCH OF THE JOHN BIRCH SOCIETY?
2. Are you aware that Dr. Fred Schwarz, who specializes in terrorizing Gentile suckers into making heavy contributions by feeding them horror tales about foreign Communist governments, made the following statement: "There are a number of organizations that advance the theme that Communism is a Jewish conspiracy. They deceive many sincere people. WE MUST REPUDIATE THIS CONCEPT ENTIRELY." We believe that Dr. Schwarz is "deceiving many sincere people" by seeking to divert public attention from Jewish subversion at home and concentrate our sole thought on the activities of foreign states. Roosevelt accomplished this when he maneuvered us into World War II and destroyed the only military machine in the world capable of opposing Soviet Russia.
3. Are you aware that the vast majority of both the White and Negro peoples are completely opposed to FORCED RACIAL INTEGRATION because of the vast cultural gap which exists between the two races. Those phoney Negro organizations which seek to promote racial friction by forced integration ARE LED AND FINANCED ENTIRELY BY JEWS. The National Association For the Advancement of Colored People (NAACP) is led by such Jews as Arthur Spingarn and Kiwi Kaplan of Boston. Herbert Lehman of LEHMAN BROS. is its leading financier. The Congress of Racial Equality (CORE) is led by the Jew, Marvin Rich etc.

MANY STARTLING FACTS, TOGETHER WITH CONCLUSIVE PROOF, WILL BE REVEALED BY JAMES H. MADOLE ON FRIDAY EVENING, APRIL 27TH, AT 8 P.M. IN THE WEST ROOM OF THE HENRY HUDSON HOTEL, 353 WEST 57TH STREET, NYC. NOTIFY YOUR FRIENDS. DON'T REFUSE TO HEAR THE FACTS BY HAVING A CLOSED MIND. QUESTION AND ANSWER PERIOD FOLLOWS THE RALLY. ALSO FOR IMMEDIATE FACTS AND INFORMATION REQUEST SAMPLE COPIES OF THE "NATIONAL RENAISSANCE BULLETIN" (Subscription--\$2.00 per 12 issues) For further invitations to this rally or sample literature, write to:

On 5/9/62, a source stated that the National Renaissance Party (NRP) is an anti-Semitic, anti-Christian, anti-Negro and neo-Fascist organization, with activities generally confined to the NYC area. It was founded in 1949 by JAMES H. MADOLE, who is in complete control of the Party. The Party's main function is distribution of the "National Renaissance Bulletin" on a bi-monthly basis and distribution of pro-Arab literature obtained from official Arab establishments in NYC.

The source further stated that the headquarters for the NRP is located in the residence of JAMES H. MADOLE at 10 West 90th Street, New York City.

The Un-American Activities Committee of the US House of Representatives in a Preliminary Report, dated 12/17/54, stated "National Renaissance Party activities and propaganda are clearly subversive and un-American".

Dear Mr. Hoover:

A few years ago, I sent to the F.B.I. a general letter of inquiry in reference to some teaching aids (fingerprinting) which would be of assistance to me in teaching Boy Scouts. The answer I received came over your signature. Therefore, I am addressing this letter directly to you.

I recently came across, and now have in my possession, a piece of literature published by the National Renaissance Party, 10 West 90th Street, New York City. This piece of literature, an eight page pamphlet, contains some strong anti-Jewish propaganda -- outright lies blaming the Jewish people for a great many social injustices. From reading your book "The Enemy Within" I feel that this piece of literature should be brought to your attention.

The pamphlet is entitled "Who Is The Real Enemy?" and contains such statements as:

"The smug, self-satisfied American, constantly reminded of his million-dollar school buildings, deluged with literature and "information," ignorantly believes he knows what is happening in this crazy, mixed-up world in which we live today. The mysterious powers controlling this barrage of propaganda try to keep the American people occupied with sex, sports, and something for nothing, yet we daily see that some sinister invisible power is dragging our great nation down, down, down."

"We have been forced to fight three bloody wars for which our nation gained nothing but gigantic debts and Victory for World Communism."

"How could the Jews almost to a man escape front-line duty?"

"The Jews repeat daily that the White Race is on the road to oblivion..."

"A Jew from tender age is trained to be a parasite, a despoiler, and an exploitxr of men."

"So the Jews conspired to remove the rulers of all countries and turn government over to the brainless mob, which the conspirators found much easier to dupe, (Democracy)."

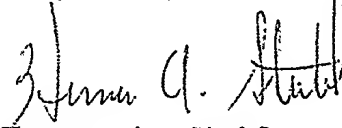

These statements are just a sample. The pamphlet ends with the following statement:

"When you become fully alerted to the awful danger descending upon us, you will want to join us in organizing secretly..."

"The enemy capital for many years has been New York, not Moscow."

Hoping you are in a position to do something about this propaganda, I remain,

Very truly yours,

### NRP CALLS EMERGENCY MEETING FOR AMERICAN PATRIOTS

It is an unfortunate comment upon the patriotism of the American public that the subversive followers of the Communist Party, despite intensive pressure by the Federal Government, are still able to pack their meeting halls and sponsor mass demonstrations while American nationalists seek to avoid all controversial political discussions by staying at home to watch their TV sets or by sipping cocktails at refined dinner partys. APPARENTLY PATRIOTIC AMERICANS HAVE FAR LESS GUTS WHEN IT COMES TO ORGANIZING FOR THE DEFENSE OF THE UNITED STATES THAN DO THEIR OPENLY SUBVERSIVE COMMUNIST ENEMIES IN THEIR CRUSADE TO UNDERMINE AND DESTROY OUR NATION! By staying at home when public meetings are called, whether because of personal cowardice or prior engagements, YOU CONTRIBUTE TO THE SUCCESS OF OUR MORTAL ENEMIES WHO COME TO THEIR RALLIES IF THEY HAVE TO CRAWL!

THE NATIONAL RENAISSANCE PARTY IS CALLING AN EMERGENCY RALLY ON FRIDAY EVENING, JUNE 15th, at 8 P.M., IN THE EMPRESS ROOM OF THE HOTEL VICTORIA, LOCATED AT WEST 51st STREET & SEVENTH AVENUE, NYC. THIS HOTEL IS EASILY ACCESSIBLE BY SUBWAY OR BUS AND WE FIRMLY URGE ALL WHO RECEIVE THIS NOTICE TO ATTEND AND BRING YOUR FRIENDS. WHEN YOU RECEIVE THIS INVITATION GET ON THE PHONE OR WRITE LETTERS TO YOUR FRIENDS IN THE NEW YORK-NEW JERSEY AREA.

JAMES H. MADOLE, LEADER OF THE NRP, HAS A MESSAGE OF VITAL IMPORTANCE CONCERNING ACTION TO BE TAKEN BY OUR PARTY THIS VERY MONTH WHICH COULD RESULT IN A VAST EXPANSION OF MEMBERSHIP IN THE LOCAL AREA. FOR YOUR GREATER COMFORT BE ASSURED THAT THE EMPRESS ROOM IS COMPLETELY AIR-CONDITIONED AGAINST SUMMER HEAT.

#### OTHER SUBJECTS OF DISCUSSION:

1. The NRP wishes to protest against such films as "EXODUS", "JUDGEMENT AT NUREMBERG", "LIZA", and "COUNTERFEIT TRAITOR", which were designed by Hollywood Jews to promote unreasoning hatred against the German and Arab peoples. Nothing is ever said concerning the outrageous crimes committed by the Zionist Stern gang or the Irgun Zvai Leumi against British soldiers during the Palestine Mandate not to mention the slaughter of the Arab population of Palestine by Zionist butchers. NOT A WORD IS SAID ABOUT BRINGING THESE JEWISH EICHMANNS TO JUSTICE FOR CRIMES AGAINST HUMANITY. The NRP vigorously condemns American politicians who seek to gain Jewish votes at election time by influencing our foreign policy in favor of Israel THEREBY DRIVING 400,000,000 MOSLEMS INTO THE OPEN ARMS OF SOVIET RUSSIA. OUR "HATE GERMANY" CAMPAIGN MAY ALSO APPEASE THE JEWS AT ELECTION TIME BUT IT MAY FORCE THE ENTIRE GERMAN NATION TO SWITCH ITS POLITICAL ALLEGIANCE!

2. The NRP strongly protests our policy of pouring our national wealth and resources into foreign nations while millions of Americans are unemployed and hungry at home. We protest any effort to drag America into the European Common Market because native American industry cannot possibly compete with the prices and wages in this European Combine with the result that foreign goods, at cheap prices, will flood the American market forcing millions of Americans into unemployment and total bankruptcy.

These are but a few of the major issues to be discussed at this emergency rally. There will be both a Question Period and a Discussion Period following the meeting. Get all your friends to the HOTEL VICTORIA on Friday evening, June 15th, at 8 P.M. For a steady flow of facts on these and related subjects, subscribe to the "NATIONAL RENAISSANCE BULLETIN" (12 issues per \$2.00).

On 7/12/62, [REDACTED] who has furnished reliable information in the past, advised that on 6/30/62 a meeting of captioned organization was held at the Roger Smith Hotel, 47th St. and Lexington Ave., NYC

JAMES H. MADOLE, leader of the National Renaissance Party (NRP), was principal speaker, there being approximately 40 persons in attendance. [REDACTED] an old time member of the NRP made introductory remarks and stated that MOISE TSHOMBE is being misled by Belgian Jews and Russian Jews.

MADOLE in his remarks attacked the Jews and claimed there were no 6 million Jews in German concentration as the Jews claim because the Red Cross inspected these camps and found no such numbers nor evidence of any cremations. MADOLE then went on to attack the Jews in everything. He stated the USA has lost the aid and friendship of 40 million Arabs because the politicians in this country fear the Jews.

MADOLE answered questions from the audience and most of the questions were antagonistic to him.

According to the above source a collection was taken up and it amounted to about \$20.

Dear Sir:

In accordance with a telephone conversation I had with one of your agents tonight I am enclosing two pieces of literature that I found this evening in my car.

I am not sure when this literature was placed in my car; however, there are only three places where it could have happened: (1) Saturday, September 29, Croton Parking Lot, Bronx Park Zoo (2) Barclay Avenue, Flushing or (3) Broadway and 77th, Elmhurst, all within the last week.

Hoping that this will be of some help to you and aid in eliminating this type of un-American ideas.

Sincerely,

*Charles J. Murphy*
